Academic Standing Policy

1. Purpose

Westbrook University is committed to student success. This policy defines the criteria for academic standing categories and describes the support mechanisms and consequences associated with each standing level.

2. Academic Standing Categories

Academic standing is evaluated at the end of each fall and spring semester based on the student's cumulative GPA:

- Good Standing: Cumulative GPA ≥ 2.0 . Students in good standing may register for courses without restriction.
- Academic Warning: Cumulative GPA 1.75–1.99. Students are notified by the Registrar and are strongly encouraged to meet with their academic advisor.
- Academic Probation: Cumulative GPA below 1.75. Students are placed on probation and must complete a mandatory Academic Success Plan with their advisor within 2 weeks of semester end.
- Academic Suspension: Second consecutive semester with GPA below 1.75 while on probation. Students are suspended for one full academic year and must apply for readmission.
- Academic Dismissal: Students who return from suspension and again fall below a 1.75 GPA within two semesters are subject to academic dismissal from the university.

3. Notification

Students entering Academic Warning or Probation are notified via their official Westbrook University email address within 5 business days of final grade posting. Notifications are also sent to the student's academic advisor and, for students under 18, to the student's designated guardian.

4. Appeals

Students placed on Academic Suspension may appeal their standing by submitting a written petition to the Academic Standards Committee within 15 business days of the suspension notice. Appeals must include documentation of extenuating circumstances and an Academic Recovery Plan. See GPA Appeals Procedure (ACAD-GRD-002) for full appeal guidelines.

5. Re-enrollment After Suspension

Students returning after suspension must submit a Reinstatement Application to the Office of Admissions no later than 60 days before the start of the intended semester. Reinstatement is not

automatic and requires approval by the Academic Standards Committee.

Reinstated students are placed on Probation for their first returning semester and must maintain a semester GPA of at least 2.0 to continue enrollment.
