Core Curriculum Requirements

1. Overview

The Westbrook University Core Curriculum ensures that all undergraduate students develop a foundation of knowledge and skills across multiple disciplines. Regardless of major, all students must fulfill the following core requirements for graduation.

2. Core Requirement Areas

2.1 Written Communication (6 credits)

Students must complete ENGL 101 (College Writing I) and ENGL 102 (College Writing II) or approved equivalents. A grade of C or higher is required in both courses.

2.2 Quantitative Reasoning (3–6 credits)

One mathematics course at or above MATH 130 (Pre-Calculus). STEM majors must complete MATH 151 (Calculus I) as part of this requirement.

2.3 Natural Sciences (7 credits)

Two science courses with laboratory components from different disciplines (e.g., Biology, Chemistry, Physics, Environmental Science).

2.4 Social Sciences (6 credits)

Two courses from the social sciences (Economics, Political Science, Psychology, Sociology, Anthropology).

2.5 Humanities and Arts (6 credits)

Two courses from the humanities or creative arts. At least one must be a writing-intensive course.

2.6 Diversity and Global Studies (3 credits)

One course with a diversity, equity, and inclusion or global studies designation.

2.7 First-Year Seminar (1 credit)

UNIV 101 (First-Year Experience Seminar) required for all entering freshmen.

3. Transfer Credit and Core Requirements

Transfer students who have completed equivalent courses at an accredited institution may petition for core requirement waivers. A Transfer Credit Evaluation is conducted by the Registrar's Office within 30 days of admission. See Transfer Credit Policy (ACAD-REQ-004).
