Final Examination Policy

1. Overview

Final examinations are a core component of academic assessment at Westbrook University. This policy governs scheduling, administration, and student obligations related to final exams.

2. Final Examination Week

Final examinations are held during the last full week of each fall and spring semester, as published in the official Academic Calendar. The exam schedule is released no later than 8 weeks before the start of final exam week.

No regularly scheduled class meetings may be held during final examination week unless the course's final assessment is a project presentation or performance that requires the full class to be present.

3. Duration and Format

Final examinations are scheduled for a duration of 2 hours and 50 minutes. Instructors may not schedule exams longer than the allotted time. Exams may be written, oral, practical, or take-home as designated in the course syllabus, provided students receive at least 4 weeks' advance notice of the format.

4. Attendance at Final Exams

Attendance at final examinations is mandatory. Students who are absent from a final exam without a documented excused reason will receive a grade of zero (0) for the exam. Students who miss a final exam due to an excused reason must request a make-up exam within 48 hours of the scheduled exam. See Makeup Exam Procedure (ACAD-EXM-002) for details.

5. Conflict Resolution

A student who has three or more final exams scheduled within a 24-hour period may request a conflict resolution accommodation. Requests must be submitted to the Registrar's Office no later than 3 weeks before final exam week using Form REG-12.

Students with two exams scheduled at the same time must also report the conflict to the Registrar's Office immediately. One of the two instructors will be directed to provide an alternative exam time.

6. Academic Integrity During Exams

All students must comply with the Academic Integrity Policy (ACAD-INT-001) during final examinations. Prohibited materials must be stored out of reach. Electronic devices, including mobile phones, smartwatches, and wireless earbuds, must be turned off and stored unless explicitly authorized by the instructor.
