Scholarship Application Procedure

1. Scholarship Overview

Westbrook University offers a wide range of institutional scholarships recognizing academic merit, community service, leadership, and financial need. This document describes the application process for university-administered scholarships.

2. Application Deadlines

- Presidential Scholarship (full tuition): November 1 for incoming freshmen
- Dean's Merit Scholarship (50% tuition): December 15 for incoming freshmen
- Westbrook Community Leadership Award: February 1 (all eligible students)
- Departmental Scholarships: Vary by department; check the scholarship portal
- Renewal applications for continuing students: April 30 each year

3. Application Requirements

All scholarship applications are submitted through the Westbrook Scholarship Portal (scholarships.westbrook.edu). Standard requirements include: completed application form, official transcripts, two letters of recommendation, a personal statement (500–800 words), and documentation of community service or extracurricular activities.

Some scholarships require additional materials such as creative portfolios, research proposals, or departmental nominations.

4. Selection Criteria

Scholarship committees evaluate applications based on the specific criteria outlined in each award description. Common criteria include: cumulative GPA (typically 3.0 or higher for merit awards), quality of personal statement, demonstrated leadership, financial need (for need-based awards), and strength of recommendation letters.

5. Renewal Requirements

Most institutional scholarships require renewal each year. Standard renewal criteria include maintaining a minimum GPA (2.5–3.5 depending on the award), completing a minimum of 30 credit hours per academic year, and remaining enrolled full-time. Students falling below renewal thresholds may appeal through the Financial Aid Appeals Process (FIN-AID-005).
