## Tuition Refund Schedule

### 1. Overview

This schedule governs the percentage of tuition refunded when a student withdraws from a course or from the university after the add/drop period. Fees (technology, activity, health) are non-refundable after the first day of classes.

### 2. Tuition Refund Schedule

- During add/drop period (first 10 business days): 100% tuition refund
- Weeks 3–4 of the semester: 80% tuition refund
- Week 5 of the semester: 60% tuition refund
- Week 6 of the semester: 40% tuition refund
- Week 7 of the semester: 20% tuition refund
- After Week 7: No refund

### 3. Pro-Rated Refunds for Partial Withdrawal

When a student withdraws from some but not all courses, refund calculations apply only to the credit hours withdrawn, not to the student's entire tuition bill.

### 4. Medical Withdrawal Refund

Students who receive an approved Medical Leave of Absence at any point in the semester receive a refund of 50% of tuition for that semester, regardless of the withdrawal date. This exception does not apply to fees, room, or board charges.

### 5. Federal Title IV Return of Funds

Students who receive federal financial aid and withdraw from the university before completing 60% of the semester are subject to the Return of Title IV Funds calculation per federal regulations (34 CFR 668.22). The Financial Aid Office will notify affected students of any resulting balance owed to the university or to the federal government.
